ADVERTISING SPECIALIST

## MESH BANNERS

8OZ - 12OZ - SATIN FINISH

Mesh banners have holes woven into the material that allow the wind to pass through the banner. This is perfect for banners that are installed outside in high winds or oversized banner displays.

Combine multiple prints to make oversized banners for your events!

Our print quality will impress both you and your customers. Let us help promote your next promotional event and you will see the results first hand.
